Hello Alex and Joan-

As a follow-up to our last telephone conversation, in which we set your expectations towards the prompt delivery of a bid from Amtrak to terminate the Acela/HHP-8 leases between PMCC Investments and Amtrak, please note that we have decided not to make a proposal at this time. At the earliest, we will be in a position to make a proposal after our 2018 budget process has moved towards completion, at the end of July 2017.

We will do all we can to assist in your HHP-8 inspection process and look forward to meeting your inspector in Wilmington, DE on the 28th of June.

I will be your main point of contact from here on and encourage you to let me know when and if you feel we need to speak.

Best Regards,

Reuben Vabner
